23 LED Drivers>The 12V DC Range Constant voltage

89015W

15W 12V DC Constant Voltage LED driver.

Complies with standard EN61347-1 and any other specific standards.

₽ IP20 **(**€

## Physical Specification

| Item Group | 23 LED Drivers                    |
|------------|-----------------------------------|
|            |                                   |
| Family     | The 12V DC Range Constant voltage |
| Order Code | 89015W                            |
| Material   | Plastic                           |
| Shape      | Rectangular                       |
| Length     | 120mm                             |
| Width      | 40mm                              |
| Height     | 20mm                              |
| Indoor     | Yes                               |
|            |                                   |

**Electrical Characteristics** 

| Gear Type Led Driver   |               |
|--|---------------|
| Input Voltage 220-240V   |               |
| 50 Hz  |               |
| 60 Hz  |               |
| Power(Watts) 15W   |               |
| Power Factor 0,9   |               |
| Constant Voltage Yes   |               |
| 12 V Yes   |               |
| IP Rating IP20   |               |
| Safety Class   |               |
| Dimmable   |               |
| Ambient Temp 45°C  |               |
| Operating Temp 80°C  |               |
| Housing Material Plastic   |               |
| Output Terminal Connector  |               |
|  |               |
| Brand One Light Ltd  |               |
